Dear Mr. Hanft,

we wish to thank you for introducing our quality baked products into the New York city regional market at various upscale supermarkets, fine cost specialty food stores, department stores, catalogue companies, chain stores, agents/ distributors, etc. These valuable contacts will certainly be of great help to our successful selling in the U.S.

We hope to be in contact with you in the near future and wish you much success in your business consultancy here in Western Europe.

Cordially,

Dr. H. Bühlbecker
